Year ________

ANNUAL COMPREHENSIVE PLAN AMENDMENT PROCESS

The City of Spokane Valley is accepting applications for map and text amendments to the Comprehensive Plan for the annual Comprehensive Plan Amendment cycle. The Washington State Growth Management Act (GMA) allows Comprehensive Plan amendments only one time per year. Any interested person, organization, agency or business may submit suggestions, proposals, or requests to the City for changes to the Comprehensive Plan, including maps and text.

PROCEDURES

1. **Application Period.** Applications are due by November 1st of each year to be considered during the next calendar year amendment cycle. Submittals received after the deadline will be considered during the next annual amendment cycle.

2. **Staff Review and Report.** Spokane Valley Planning Staff will review all applications and will prepare a report and recommendation to the Spokane Valley Planning Commission. The report will analyze how each proposal addresses amendment criteria established by Spokane Valley City Council. All application documents and staff reports will be available for public review.

3. **Planning Commission Public Hearing.** The Spokane Valley Planning Commission will conduct a formal public hearing on all proposed amendments. The Commission will consider amendments individually and will examine the cumulative impacts of all amendments collectively. The Commission will prepare one recommendation to the Spokane Valley City Council, including findings on each individual proposed amendment.

4. **City Council Review and Decision.** Within 60 days of receipt of the Planning Commission's recommendation, City Council may choose to adopt the individual amendments as recommended by the Planning Commission, disapprove the amendments, or modify and adopt the proposal. If the Council chooses to substantially modify a proposal, they must either conduct a public hearing or refer the proposal back to the Planning Commission for further consideration.

5. **Notice.** Each year, the City will provide notice of the annual amendment cycle at least 60 days prior to the application deadline via display ads in local newspapers, email to interested parties and on the City’s website. Notice of public hearings and public meetings will be provided to the public as set forth in the Spokane Valley Municipal Code. At a minimum, notice will be provided to surrounding properties within 400’ for site-specific Land Use Map amendments at least 14 days prior to any public hearing. Notice will also be posted on-site at least 14 days prior to any public hearing. Legal notice will also be published in the newspaper.

6. **Appeal Procedures.** City Council decisions on Comprehensive Plan amendments may be appealed to the Eastern Washington Growth Management Hearings Board within 60 days of publication of notice of adoption, in accordance with RCW 36.70A.290(2).

7. **Staff Contact.** Questions may be directed to Chaz Bates, Senior Planner (cbates@spokanevalley.org), 509-720-5333.
