

City of Spokane Valley Parks & Recreation Department

Slide Rules

Park Road Pool

1. No running, standing, kneeling, tumbling, horseplay or any kind of stopping on the slide.
 2. No diving from the slide.
 3. No multiple user chains, including adults wanting to ride with their children.
 4. Swimmers must lay on their backs or sit down on their bottoms. Swimmers must slide feet first.
 5. Minimum height of 44 inches and maximum weight of 250 lbs.
 6. An adult may assist a child who needs assistance exiting the slide. The adult must wait at the bottom of the slide, standing clear of the slide flume.
 7. Swimmers must leave bottom of slide area immediately.
 8. No loose clothing; clothing with metal rivets or buttons may be worn on the slide.
 9. Due to health risks slide is not recommended for pregnant women.
 10. No life jackets, arm floats or full body float suits may be worn on the slide.
 11. Swimmers must not throw object down the slide prior to usage.
 12. Lifeguard will notify swimmers when they may enter slide and again when they may go down slide. Lifeguards will send next patron when previous patron is exiting slide flume.
 13. Failure to follow these rules will result in the loss of slide usage and/or removal from premises.
